EAA 225 September 10, 2013 Meeting at Southern Maine Aviation

EAA 225 Dinner/Meeting at Southern Maine Aviation.

Please join us for a tasty dinner on Sept. 10th, beginning at 6:00 with the meeting following around 7:00 pm or so. There will be lots to discuss about this past weekend at Greenville's Seaplane Fly-In, the Antique Aircraft Assn Fly-In in Blakesburg, Iowa, and both the last (Aug. 31st) & upcoming (Oct. 5th) EAA Young Eagle Rallies. Come join in the Food & Fun!

For more info: Call (603) 781-6572

Sanford EAA Young Eagle Flight Rally - Huge Success!

Nearly 50 kids were given rides by our EAA Volunteer Pilots on Saturday, August 31 from Southern Maine Aviation's site at Sanford Airport. EAA 225 & 1210 shared the duties. Young Eagle Coordinator, Steve Richard thanks everyone for all of their help and a special thanks to the folks at Southern Maine Aviation for letting us use their FBO.

"Building & Flying Together"

From the President's Workshop:

Greetings all EAA 225'ers & 1210'ers. It's been a great summer for flying and building/restoring. It should be an even better fall as this is our best flying as far as scenery goes.

Our last meeting featured Oshkosh's AirVenture 2013 and our next meeting will cover 2 fly-ins. Last weekend was the Antique Aircraft Association Fly-In in Blakesburg, Iowa. This coming weekend will be the Greenville International Seaplane Fly-In. This month's meeting will feature slideshows of both shows and you won't want to miss it. This month's meeting will be held at Southern Maine Aviation in Sanford, Maine.

The Fly-In in Blakesburg was absolutely amazing. The antiques that came there from all over the country are not just airplanes but works of art. This is one of the premier antique fly-ins in the country and possibly the world. Lots to see and do. One of the best parts is that ALL of the airplanes fly, they are not just museum pieces. I brought

the Waco S3HD and flew numerous times, including 5 Young Eagle rides. What a great time with lots of smiling faces.

The Waco is just an amazing aircraft and I will recap the trip out and back. Lots of challenging weather on the way back.

Also don't forget the Light Sport Expo at Chapter 106 in Lawrence, Mass on Saturday September 14th. Lots to see and do there.

So come on out to Southern Maine Aviation for some good cooking, camaraderie and two great slideshows of all the aviation happenings.

Food starts at 6PM with the meeting to follow at 7PM.

Happy Building and Safe Flying,
John Ricciotti
EAA 225, Chapter president

Antique Aircraft Association Fly-In for 2013 marks the Diamond Jubilee (60th year), Blakesburg, Iowa

60 years in the making, as the Antique Aircraft Association marks its Diamond Jubilee anniversary. Several planes were pre-registered including the featured Luscombe 8 series. Overall around 100 antique aircraft were scheduled to attend this years' celebration.
