Hello Everyone,

Pres John Ricciotti reminds us in the following letter of our annual Holiday Party. Please read and if attending, please reply to John. Hope to see as many that can attend this fun time with fellow members and guests.

Regards,
Gerry

Happy New Year EAA225'ers!

It's been a fantastic 2014 and here's hoping 2015 will be even better. Our year ended with a project open house at Todd Scruton's shop in Strafford. His Zenith project is getting completely rewired and modified to the 'curved roof' style for lower flying speed and better tail control surface effectiveness. It was a cold night so we retreated into the Scruton home and watched some Zenith short field takeoffs and landings on the internet. Quite the impressive performance. Our thanks go out to the Scruton family for hosting the chapter.

Chapter elections were held and all current officers were re-elected as all positions were unopposed. We are still looking for someone to be the membership manager so please speak up if you have any interest.

The other item discussed was our annual holiday party to be held on Saturday, January 10th starting at 5PM in the Skyhaven Airport pilot lounge. This is our annual pot-luck supper and yankee swap. As always, the gifts should not be more than ten dollars and if they are aviation oriented, all the better. Please bring your spouse/significant other/guest to the dinner. The more the merrier. Any food item that you want to bring is fine. If you know what you want to bring, please drop me a line so I can keep track of what is being brought. That way if we get 10 desserts and no entrees, we can modify the items to balance out the meal. Drinks and plate/bowls/plasticware will be provided by the chapter.

Here's hoping to see you all at the annual holiday gathering. Come and enjoy some good food and great company.

Happy New Year and safe flying!
John Ricciotti
EAA 225, Chapter President
