## **FLYING EVENTS IN SEPTEMBER**

September is looking like another busy General Aviation month is Northern New England!!

**9/2 HAMPTON AIRFIELD** - Start the month off by testing your bomb dropping skills at Hampton Airfield. Good chance to meet the new ownership and hear about the plans for this treasured NH airport! More info: Garrett miller@comcast.net

**9/5 - 9/8 GREENVILLE SPLASH IN** - Greenville, Me. This is the big one! Greenville International Seaplane Splash In. I personally enjoy looking at all the planes parked at the airport as much as I do taking the van down to the Seaplane Base. If you're interested in seaplanes you have to go! More info: <a href="https://www.seaplanestyln.org">www.seaplanestyln.org</a> or Darralyn Gauvin 207-695-2928

**9/13 - GALA FUND RAISER** - The annual NH Aviation Historical Society fund raiser and Gala! More info: <a href="https://www.nhahs.org">www.nhahs.org</a> or Jaye Gibson 603-494-0182

**9/14 - LSA EXPO** -Lawrence Municipal Airport (KLWM) Here is a great opportunity to look at all the latest designs in Light Sport Aviation. Several vendors along with their planes will be on exhibit plus seminars will be held all day long! LSA is the real growth area in GA and something many of us old timers are considering to sustain our participation in General Aviation. Nothing wrong with flying lower and slower and smelling the roses!! Check out the vendor list and seminars below. More info: <a href="https://www.106EAACHAPTER.ORG/NORTHEASTLSAEXPO.HTM">www.106EAACHAPTER.ORG/NORTHEASTLSAEXPO.HTM</a>
