

BLACK FLY SMASHIN' FLY-IN

SATURDAY, MAY 7TH

8 am to 1 pm

**Big Blue Hangar (aka Presidential Hangar, PBY Hangar.)
Sanford Regional Airport (KSFM), Maine.**

RAF Mission: "Keeping the legacy of recreational aviation strong by preserving, maintaining and creating public use recreational and backcountry airstrips nationwide"

This is a great opportunity to get involved with supporting General Aviation at a grass roots level. The Recreational Aviation Foundation has had great success keeping backcountry air strips open and operational out west. Now they are working to promote recreational aviation in New England.

Find out what is happening in your own backyard and how you can help!

8 am – 10 am: Coffee donuts and PBY's. Grab a cup of joe and climb around the ultimate backcountry aircraft (assuming your backcountry includes mile-long lakes.)

10 am – Noon: Presentation about the RAF. What they are working on in Maine and the rest of New England. Discussions about what to work on next.

Noon – 2 pm: Barbecue burgers and dogs, courtesy of the RAF.
