

HAMPTON AIRFIELD

35TH ANNUAL AVIATION FLEA MARKET

May 15th & 16th – No Rain Date

This event was started in 1975 and now in our 35th year we are again hosting the Aviation Flea Market.

You can fly in or drive in to buy and sell your aviation items. There are no fees to buy or sell. Bring your own set up display. Event attracts sales of new and used aircraft, aviation parts, avionics, clothing, memorabilia, books etc... A great spring event! Get out the old bird and reconnect with aviation friends.
