

The 11th Annual Maine Jet Rally

**The 11th Annual Maine Jet Rally
September 10th, 11th, and 12th, 2010
Held at the Sanford Regional Airport**

This event represents the pinnacle in Radio Control Flying. Last years event drew over sixty five R/C model jets with about 90% of those being turbine powered. It will be our 11th year, and the event has gained a great following.

Flight operations will be held Saturday 9 AM till 5 PM and Sunday 9 AM till 3 PM. There will be a \$5.00 parking donation per vehicle.

Don't miss the Noon Time Demo show performed on Saturday September 11th, 2010 and Sunday September 12th, 2010.

Mark this date on your calendar as the Maine Jet rally is a spectator favorite. The event will be held at the Sanford Regional Airport again this year. To learn more about the event contact Ray Labonte at 207-797-5196.
