

Yeah, it was a quick summer.  
Let's make the most of the fall!!!

# **LOBSTERS and LEAVES**

## **OCTOBER 8th**

## **SANFORD, MAINE (KSFM)**

It is going to be peak leaf viewing on October 8th (trust us). The Maine Airport Trail is giving away FREE LOBSTERS until October 31st. Put the two together for one heck of a good excuse to spend the day flying in Maine.

### **+ + + How it works + + +**

Fly to five of the airports on the Maine Aviation Trail. Make the last of the five Brunswick (KBXM). Let the FBO there know that your'e coming in for lobster and they will have TWO ready for you when you arrive. Bring your lobsters to SOUTHERN MAINE AVIATION, LLC on Saturday, October 8th. We'll cook your lobsters for you. We'll supply the butter, potato salad, green leafy stuff and a few tomatoes (if John hasn't eaten them all.)

Don't want lobster ,don't worry., there will be chicken and hot dogs.

### **Enjoy!**

If you can't make it to BXM on Saturday, complete the trail early and get us your completed "Passport" by Thursday, October 6th. We'll pick up your lobsters for you and have them ready when you get to SFM!

Donations are encouraged. All donations will be given to the SANFORD FOOD BANK.

**2:00 - Seminar: "Communications and Non-Towered Airports".**

**5:00 - Food**

For more information on the Maine Aviation Trail and free lobster, google "Maine Flying Trail Passport" or go to [www.MRRA.us](http://www.MRRA.us)

For more information about the event call Southern Maine Aviation at 207-324-8919.
