

Skyhaven Airport

Construct, Mark, Light & Sign Taxiway 'A'

PROJECT UPDATE

February 8, 2008

The North Section of Taxiway 'A' is now under construction. NOTAMs have been placed regarding (1) personnel and equipment working near Runway 15 and (2) closure of the existing *skewed* section of Taxiway 'A' to all aircraft operations from 6 am to 5 pm local time Monday through Friday. Construction vehicles hauling dirt to create the North Section of Taxiway 'A' are expected on site starting **Wednesday, February 13, 2008**. Most construction vehicles will be traveling through the fence gate near the Snow-Removal Equipment (SRE) building to the construction site. Any debris left along that route by these vehicles will be swept up daily by the contractor.

NHDOT is committed to providing the airport tenants and visitors with the latest information on this project.

To receive e-mail updates on this project's progress or to ask questions about the project, please call (603) 271-2552 or e-mail cniewola@dot.state.nh.us.

For *immediate* project concerns, please contact Ossipee Valley Aviation and the information will be relayed to the appropriate parties.
