

Skyhaven Airport Construct, Mark, Light & Sign Taxiway 'A'

PROJECT UPDATE

March 28, 2008

Construction of the North Section and Center Section of Taxiway 'A' is on-going. NOTAMs have been placed regarding (1) personnel and equipment working near Runway 15-33 and (2) closure of the *existing skewed* section of Taxiway 'A' to all aircraft operations from 6 am to 5 pm local time Monday through Friday. **On Monday, March 31, 2008, Runway 15-33 will be closed for up to one day to allow construction activities to join the taxiway to the runway.** The new segmented circle is being constructed on the east side of the runway and new taxiway lights are being installed on the South Section of Taxiway 'A.' The runway and taxiway lights remain OTS for the next few weeks.

NHDOT is committed to providing the airport tenants and visitors with the latest information on this project.

To receive e-mail updates on this project's progress or to ask questions about the project, please call (603) 271-2552 or e-mail cniewola@dot.state.nh.us.

For *immediate* project concerns, please contact Ossipee Valley Aviation and the information will be relayed to the appropriate parties.
