

# Skyhaven Airport

## Construct, Mark, Light & Sign Taxiway 'A'

# PROJECT UPDATE

## May 30, 2008

### **The full length of Taxiway 'A' is now open for use!**

The contractor will return during the week of June 2<sup>nd</sup> to seal the pavement joints, spread the last of the loam in the staging areas, hydroseed the staging areas, and remove equipment from the site. We ask that you please stay off the hydroseeded areas so that the grass can take root.

Thank you to everyone for helping to make this construction project productive and safe!

NHDOT is committed to providing the airport tenants and visitors with the latest information on this project.
